Committee Members and Appointees

	Role	Status	2016/2017	2017/2018
Restoration Women's Ministries	<i>The 2010 General Conference voted to recognize this as an international conference committee. To date, members have provided ministry primarily in the US, however on several occasions they have been able to travel and offer ministry to women in other lands. It is anticipated they will work increasingly with women of all nations to help meet the needs of the international community of Restoration women. The Women's quorum votes on membership for this committee, and the General Conference offers a confirming vote.</i>

Committee Members and Appointees

Education Committee	<i>This committee, to be chaired by an elder, was first authorized by JCR#57 to provide Sunday School materials for restoration branches. A resolution proposed to the 2010 General Conference (2010-8) brought awareness that this committee had not been adequately publicized. This same conference then elected additional members to help revise and develop curricula which could be offered to restoration branches as an option for helping educate youth and members in the doctrine of Christ's church.</i>
