

2018 U.S. National Conference
"Let Us Covenant Anew!"

Greetings Saints:

We are privileged to extend this open invitation to Restoration Saints to attend the US National Conference scheduled for Thursday October 11th through Saturday October 13th, 2018. As with all JCRB conferences, attendance is open to all Restoration Saints. Voting rights are extended to baptized members as individuals and to Restoration Branches through the delegate representation system. The location of the Conference this year is at the Community of Christ, 15006 East 39th Street South, Independence, MO 64055.

The agenda for this year focuses on the theme “Let Us Covenant Anew.” In this theme, we are called to remember the profound significance covenants have played in on our sacred history from the very beginning as well as the role covenant will yet play as we seek to fulfill the reality of Zion today. The call to strive for unity in covenant weds us as the bride of Christ to fulfill our marriage to Him in purity and virtue with saints of the past, present, and future. We pray that each one prayerfully and repentantly approaches the conference with diligence and faith toward understanding and fulfilling covenant.

We have prepared a schedule of classes to inspire us to expand our understanding, worship services to draw us closer to the Master, and Quorum and Open sessions to allow us to share perspectives, fellowship together and grow closer to each other as we strive for Zion conditions. The call for diligence and perseverance to our covenants is more urgent today than ever as we struggle to battle the influence of the world while we preserve the universal truths that were restored through the Church of Jesus Christ so many years ago.

To prepare for the Conference, we will be sending out a 40-day preparation guide with scripture and meditation thoughts. By preparing in anticipation of blessing, we can gather with eager expectation for the presence of the Spirit to guide and direct our activities. God’s promise to us is unfaltering and we must faithfully and diligently prepare to receive.

Our constant prayer is that you will be fed and blessed by the preparation for, and attendance in, the Conference so we can advance the cause of Zion in these latter days. God be with you all as you consider your covenant with the Master whom we all serve.

In Humble Service,
2017-2018 U.S. National Conference Logistics Committee
