

Our sisters in Africa have a horrible choice to make when their husbands die. They can either become polygamous wives, prostitutes, or they can watch their children starve. In order to help them provide for themselves and their children, their only alternative in order to survive is often to become self-employed. To do that, they NEED YOUR HELP!!

"Be the Widow's Might" is a part of African Restoration Ministries. We raise money to provide grants and loans to our African sisters so that they can support their families.

Our main fundraiser is an annual **Christmas Bazaar**, tentatively set for Saturday, November 17 (2018) in Independence, Missouri (USA).

You can help by donating crafts or baked goods, renting a booth for your own sales, helping make crafts, or coming to the bazaar to shop. We also accept direct cash donations. Also, if you would like to host a similar booth at a Bazaar near you, those proceeds would be welcomed as well!

If you are willing to help support this effort to touch the widows of Africa, please contact Alicia Negaard at 816-724-0832... and become the widow's might!
